My dear Mr. President:- I have  
telephoned Mr. Bethune as to his  
seeing Mr. Howland and accepting  
the commission. Mr. Bethune is  
to send me word as to Mr. H. whom  
oddly enough I do not know - tho'  
I know Hamilton well.  
How long do  
you want me to talk? I have been  
"presenting" several times but was always  
the passive not the active

With am. regards

Hon. Mr. Justice Riddell,

Toronto.

Dear Mr. Justice Riddell:

I am glad to know that you will present Mr. Howland for the degree. I should think that five minutes is all that is necessary in presenting the individual candidate. There are half a dozen of them and one or two are to speak afterwards. We should therefore not expect much from those who bring the names forward. With kind regards, I am,

Yours sincerely,

President.

Hon. Mr. Justice Riddell,  
Toronto.

Dear Mr. Justice Riddell:

On talking the matter over Sir Edmund and I have come to the opinion that it would be well if you would present Mr. John Appleton Stewart for the degree instead of Mr. Howland. Sir Edmund thinks that you know Mr. Stewart as you have met him at several celebrations connected with the work of the Committee. We are asking Mr. Rowell to present Mr. Howland, with whom neither he nor you is acquainted.

With kind regards, I am,

Yours sincerely,

President.

My Dear President: - I should be  
glad to present John Appleton  
to you - I have met him several  
times but do not know anything  
of his history - do you? or does any  
body, available?

I see we are to  
have a dinner in the evening - if  
you expect me to show abit over  
house let me know

My Dear Dr. Falconer:-  
I am  
informed by Mr. Wray that the  
examination has been held for my  
little scholarship. I enclose

cheque for \$200 (notwithstanding  
"res. angusta domi") With kind regards

I am  
Yours

William Brewster Randall

P.S. You have been nobly in health.

Hon. Mr. Justice Riddell,  
Toronto.

My dear Mr. Justice Riddell:

It was very good of you to send the cheque for two hundred dollars on behalf of the Scholarship to be awarded to the first candidate at examination on a special paper in History. Professor Wrong had reported to-day that the examinations have been read and the announcement of the successful candidates will be made at the Senate on Friday, when also I will announce again your generous gift.

I will ask the Registrar to communicate with Mr. W. D. Matthews reminding him of his promise to you to give one hundred dollars as the second prize.

What a fine meeting we had on Tuesday of last week! That speech of Mr. Choate will be memorable. I see that he was so worked up that he repeated the same sentiments at the Pilgrims' Club in New York the next night.

Mr. Stewart now tells me that Judge Parker will be willing to come up and lecture some time. I suppose we had better accept the offer.

Did you not mention to some one that you would be glad to represent the University at the Inauguration of John Henry MacCracken as President of Lafayette College on Wednesday, October 20th? If this is so, would you kindly let me know at once, and I will send down your name as our delegate?

With kind regards, I am,

Yours sincerely,

President.
